We love  
Silent  
elegance  
inside

Like morning light  
on untouched linen

I'am  
Limitless

Like the hush  
before  
a blooming thought.

I speak  
in colours  
because silence  
never  
said enough.

LIGHT EARTH TONES

ITAKEYOU | ITAKEYOU.CO.UK

To hide  
is easy  
when you  
wear grey.  
But colours  
were never  
meant  
to be silent.

My blue  
comes straight  
from the  
sea.  
Like a whisper  
from  
the wind.

Like silk threads,  
delicate and strong.

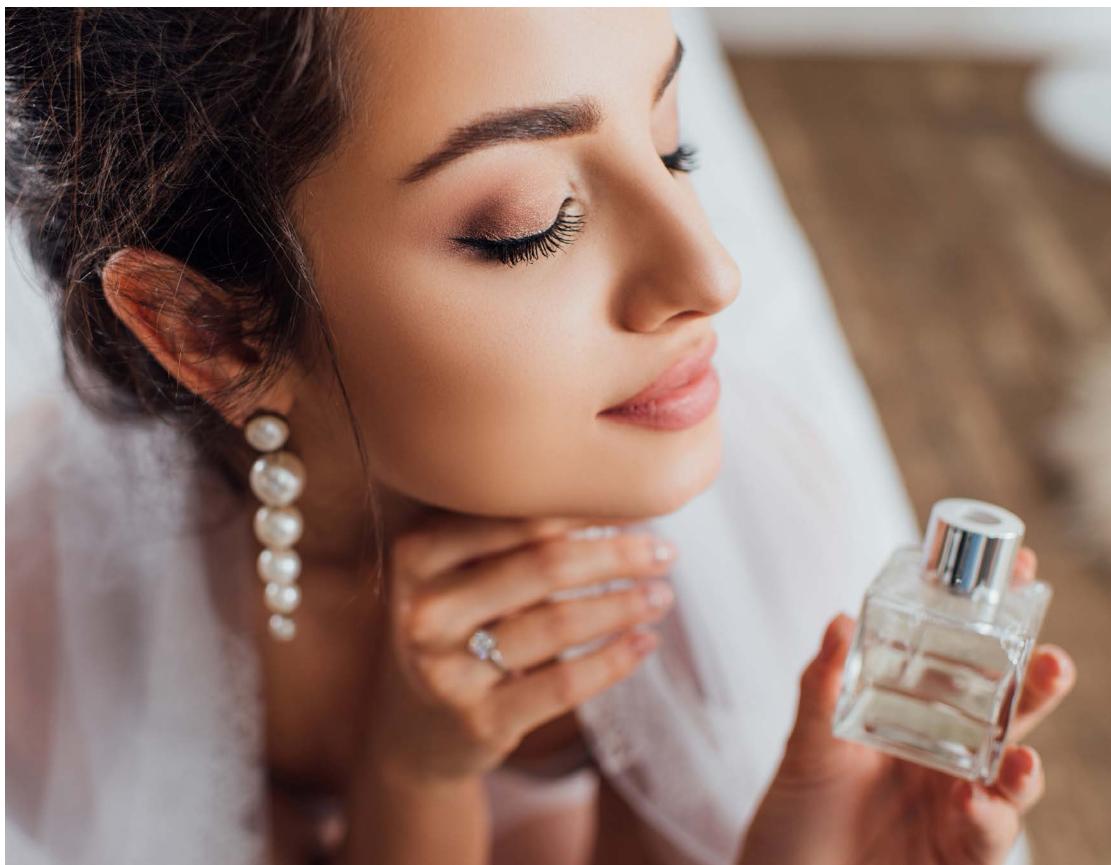

I EMBRACE VULNERABILITY

I DISSOLVE INTO  
THE SCENT OF MY  
OWN PERFUME

THIS IS WHERE MY SOUL RESTS.

NO MATTER WHERE  
YOU STAND

---

... and become  
who you want  
to be
